Re: VPDES Permit VA0022772 - Clifton Forge WWTP reissuance

Dear Mr. White:

The VPDES permit for the above referenced facility is enclosed. A Discharge Monitoring Report (DMR) form is included with the permit. Please make additional copies of the DMR for future use. The first DMR for monthly monitored parameters is due by **November 10, 2009** for the monthly period of **October 2009** monitoring. If you still have DMR data to report as required by the previous permit please submit it as an attachment to the first DMR required by this permit. Monitoring results on the DMRs should be reported to the same number of significant digits as are included in the permit limit for the parameter. Please send DMRs to: Virginia DEQ, Blue Ridge Regional Office - Roanoke, 3019 Peters Creek Rd., Roanoke, VA 24019-2738.

DEQ has launched an e-DMR program that allows you to submit the effluent data electronically. If you are interested in participating in this program please visit the following website for details:

<http://www.deq.virginia.gov/water/edmrfaq.html>

Please note that if this permit is to be reissued in five years, there are specific testing requirements associated with the Form 2A reissuance application that are different from the testing requirements in your permit. In order to provide the necessary data for Form 2A you may need to begin additional sampling during the term of this permit prior to receiving a reissuance reminder letter from this agency. Please look at Form 2A Part D (Expanded Effluent Testing Data) and Part E (Toxicity Testing Data) for the sampling requirements.

As provided by Rule 2A:2 of the Supreme Court of Virginia, you have thirty days from the date of service (the date you actually received this decision or the date it was mailed to you, whichever occurred first) within which to appeal this decision by filing a notice of appeal in accordance with the Rules of the Supreme Court of Virginia with the Director, Department of Environmental Quality. In the event that this decision is served on you by mail, three days are added to that period.

Alternatively, any owner under 9 VAC 25-230-130.B [formerly §§ 62.1 - 44.16, 62.1 - 44.17, and 62.1 - 44.19] of the State Water Control Law aggrieved by any action of the State Water Control Board taken without a formal hearing, or by inaction of the Board, may demand in writing a formal hearing of such owner's grievance, provided a petition requesting such hearing is filed with the Board. Said petition must meet the requirements set forth in §1.23(b) of the Board's Procedural Rule No. 1. In cases involving actions of the Board, such petition must be filed within thirty days after notice of such action is mailed to such owner by certified mail.

If you have additional questions, please do not hesitate to contact Susan Edwards at (540)562-6764 or at susan.edwards@deq.virginia.gov.

Sincerely,

Steven A. Dietrich, P.E.
Regional Director
